

Coupling of Heating/Cooling and electricity sectors in a renewable energy-driven Europe

Thursday 29th June 2023

9:30 – 11:05

Online Conference

Agenda

	Topic	Speakers
9:30-9:45	Introduction and Presentation of ETIP SNET and ETIP RHC Joint White Paper “ Coupling of Heating/Cooling and electricity sectors in a renewable energy-driven Europe ”	<ul style="list-style-type: none"> Alexander Wiedermann
Panel sessions		
9:45-10:00	Panel I: Technological potentials and barriers	<ul style="list-style-type: none"> Caroline Haglund Stignor Olaf Bernstrauch Ralf-Roman Schmidt
10:00-10:10	Panel I: Q&A	ALL
10:10-10:35	Panel II: Thermal storage as an enabler of system integration and sector coupling	<ul style="list-style-type: none"> Javier Urchueguia Norela Constantinescu Albana Ilo Olaf Bernstrauch Antonio Iliceto
10:35-10:50	Panel II: Q&A	ALL
Round table discussion		
10:50-11:00	Skills needed for sector coupling	<ul style="list-style-type: none"> Christian Holter (TBD)
11:00-11:05	Closing remarks	<ul style="list-style-type: none"> Alexander Wiedermann
